FROM THE RABBI: During these long warm days, when most of us are thinking of summertime fun, we are yet reminded of one of the saddest times in our history. Tisha B'av, the traditional fast day commemorating the destruction of the ancient Temple in Jerusalem, falls on July 24 this year. Throughout the years, Jews have mourned this loss as well as other severe persecutions that have been perpetrated against us. This day marks one of the most distressing times in our people's long history. And still, Judaism urges us to understand that life itself is good and blessed. The seven weeks that stretch between Tisha B'av and Rosh HaShanah are a time of renewal. We are encouraged to find comfort for the sorrows of the past, to be reassured that life is good and filled with blessing. As always, I look forward to sharing in this renewed promise with you. Most sincerely—B'shalom, Rabbi Eric Siroka

FROM THE PRESIDENT: I hope everyone is having a wonderful summer. Even though our schedule is light, many organizational meetings are happening. Also, we need updated information — address, phone number, email, college student email & addresses—please call the office. Renew your Sisterhood & Brotherhood memberships. Pat
